PUBLICATIONS

BOOKS:

OTHER MAJOR PUBLICATIONS:
Ahn, Hyein, Kyle, J. Richard, and Miller, Nathan, Relationship of Trace Elements to Cathodoluminescence of Smithsonite (in preparation)
Kyle, J.R., Holt, J.W., and Galloway, W., Dating the integration of the Rio Grande from the southern Rocky Mountains to the Gulf of Mexico: Geology (in revision, after review)

Kyle, J.R., 1990, Geologic history and mineral resources development of the northern Trans-Pecos region, Texas and New Mexico: Soc. Econ. Geol., Guidebook Series, v. 8, p. 85-96.

PUBLISHED ABSTRACTS OF PRESENTATIONS (Selected presentations 2000 to date)
(more than 300 from 1973 to date; list available upon request)

Kyle, J.R., 2016, Role of stratigraphic inheritance in controlling stratabound metal concentrations in carbonate strata: MVT to skarn systems: Geological Society of America, Abstracts with Programs, v. 48

REE-enriched Round Top rhyolite laccolith in the Trans-Pecos region of Texas: Geol. Soc. Amer., Abstracts with Programs, v. 46.

Gryger, S.M., and Kyle, J.R., 2012, Stratigraphy of a Mesozoic platform-basin margin, Sierra Mojada, western Coahuila, Mexico: Gulf Coast Association of Geological Societies, Austin, TX

Ahn, H.I., Kyle, J.R., and Miller, N.R. 2012, Mineralogy and geochemistry of the non-sulfide Zn deposits, Sierra Mojada district, Coahuila, Mexico: Cordilleran Section, Geol. Soc. Amer., Abstracts with Programs, v. 44.

Ahn, H.I., Kyle, J.R., and Miller, N.R. 2012, Mineralogy and geochemistry of the non-sulfide Zn deposits, Sierra Mojada district, Coahuila, Mexico: South-Central Section, Geol. Soc. Amer., Abstracts with Programs, v. 44.
