Contract Reports

Dutton, S. P., 2005, Support for the curation of academic research cores, samples, and collections in the geosciences: The University of Texas at Austin, Bureau of Economic Geology, annual report prepared for NSF, under award no. 0331241, 11 p.

Dutton, S. P., 2004, Support for the curation of academic research cores, samples, and collections in the geosciences: The University of Texas at Austin, Bureau of Economic Geology, annual report prepared for NSF, under award no. 0331231, 7 p.
Dutton, S. P., and Tinker, S. W., 2004, Support for the curation of academic research cores, samples, and collections in the geosciences: The University of Texas at Austin, Bureau of Economic Geology, annual report prepared for U.S. National Science Foundation, under Award ID 0331241, 7 p.

Dutton, S. P., 1985, Petrography and diagenesis of the Travis Peak (Hosston) Formation, East Texas: geologic framework, core studies, and engineering field analysis: The University of Texas at Austin, Bureau of Economic Geology, topical report prepared for the Gas Research Institute, under contract no. 5082-211-0708, 71 p.
